

OE43

OE43 LONG-RANGE SURVEILLANCE VESSEL

The sea-proven Ocean EAGLE 43 (OE43) is an ocean patrol trimaran combining a very slender hull with two small floats designed to maximize stability. The synergy of these elements results in a significant reduction in fuel consumption, thereby enhancing both velocity and operational range, while ensuring a good level of comfort even in moderate to rough sea conditions

MAIN CHARACTERISTICS

- Length Overall 43.6 m
- Beam Overall 15.2 m
- Maximum speed 30 Knots
- Range at 50 Knots 5000 NM
- Crew 13
- Fuel 27 m³
- Hull/Superstructure Composite
- Classification Bureau Veritas

MISSIONS

- Maritime police and maritime security
- Surveillance of exclusive economic and fishing zones
- Monitoring of marine environment
- Fight against piracy, trafficking, smuggling and illegal immigration
- Search And Rescue (SAR)
- OE43 can also be adapted for special operations support as well as for anti-submarine operations.
