

LCT200

CMN NAVAL

LCT200 LANDING CRAFT TANK

The LCT 200 is a fast-landing craft tank equipped with fore and aft ramps, offering versatile payload capabilities (200t) and beaching capacity.

Typical payloads of up to 200 tons can be accommodated, comprising military vehicles, armored personnel carriers, or containers. The craft's flat, reinforced deck ensures efficient loading and unloading, while the wide beam provides stability even under heavy loads. The LCT 200 is a highly adaptable solution for a variety of logistics and amphibious assault operations.

LCT200

MAIN CHARACTERISTICS

- Length Overall 70 m
- Beam Overall 10.6 m
- Maximum speed 16 Knots
- Range at 16 Knots 2150 NM
- Crew 18
- Fuel 180 m³
- Hull/Superstructure Steel
- Classification Bureau Veritas

TYPICAL PAYLOAD

- 30 Soft skinned vehicle
- 8 trucks
